

Library Facility Use Policy

The Briarcliff Manor Public Library Board of Trustees, in recognition of the limited physical facilities available at the Library at this time, confines use of the Library facility to the purpose of conducting Library services, as determined by the Library staff, under the review of the Library Board.

Library services are defined as the use of the Library by its patrons:

- To read, including books, magazines and newspapers;
- To do research;
- To borrow and return items;
- To use wi-fi and electronic devices;
- To receive reference, technology or reader's advisory assistance;
- To attend Library sponsored events that are designed to encourage reading and the use of Library services;
- To study or work;
- To meet quietly in small groups.

Adopted by the Briarcliff Manor Library Board of Trustees on February 8, 2023.
